8 A.M. — Time to ante up —
 The cards have been dealt and you've been given your hand —
 The freshmen — overwhelmed by the odds,
 The sophomores — confidently raising their bets,
 The juniors — bluffing their way towards senior year,
 And the seniors — self-assuredly calling their bluff.
 All crowd the halls.
 It's definitely a full house.

In a school designed for 1200, W.H.S. is packed with approximately 1400 students. With 200 bodies over capacity, Woodbridge is definitely a Full House.

The halls are so crowded that you are lucky to see one familiar face in the crowd while passing to and from classes. More unfortunate ventures often leave you knocked off of the sidewalk and into the mud.

Bleachers bulge at pep rallies as cheering students rock the gym, mile-long lines quickly form in the restrooms and food line creating an atmosphere of tension, confinement and fullness.

High school is a time of confusion and intimidation for many, for others it's a time of freedom and happiness, and for others it's a way to pass the time between vacations. No matter how you think of it, however, it's a time of new experiences and new responsibilities.

There are many experiences that all the classes have had a chance to share this year. Remember the halls being so crowded you needed a bulldozer to get to class? Remember our landslide victory over Irvine High in football? Remember the first day of the new bell when nobody knew what was going on (attention K-MART shoppers)? Or maybe you remember the "temporarily permanent" portables, or the "convenient" bike racks that weren't opened till sixth period had already started.

These shared experiences will help to make our memories of Woodbridge all the more vivid in the years to come.

GO FOR BROKE!

The time has finally come. The "other" pioneers of Woodbridge High, the class of '84, are now seniors! Constantly over-shadowed by last year's senior class, the class of 84 is now ready to shine. They all have unique talent and personalities that will never come together in quite the same way again.

Uniquely, the class of 84 will be the first graduating class to have completed four entire years at Woodbridge. Practically every senior can remember when there was no sidewalk in sight or a gym to hold rallies and home games in. These memories of an "infant" Woodbridge High will vividly remain in the minds of many seniors. This year was special in another respect — Woodbridge celebrated its very first Homecoming.

The senior class has been highly instrumental in beginning the many Warrior traditions that will remain for years to come. "We're special, we're unique! We're the class of 84!"

Woodbridge High our praise to thee
We guard thy name with dignity
Integrity and pride remain
A living tribute to thy name.

With our brilliant red and gold
Victorious colors ever bold
We will lift our standard high
Amid the stars, against the sky.

Knowledge gained will make us strong
Friendship true our lifelong song.
Warriors now forever free
Woodbridge High! We hail to thee!

IT'S IN THE CARDS

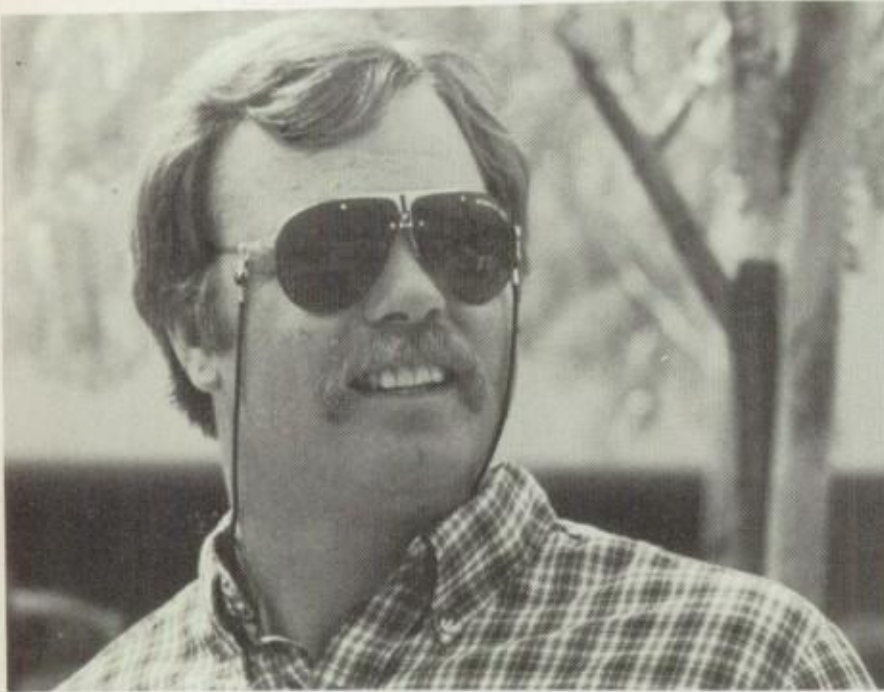

Soon we will part
and go separate ways
The dreams we have now
will become yesterdays
Our goals are in sight
though our paths may not cross
The friendship we've made
will never be lost.

Besides the activities and the schoolwork, friends are the best part of high school life. Laughing, crying, gossiping and dreaming — these are the special moments of growing up together. Remember all those late mornings, rushing to school? And what about those quick runs to Yogurt Time for lunch? Borrowing clothes, spending the night, fighting like sisters (or brothers) — these are all the typical experiences that bond ever-lasting relationships.

Friends can always be counted on to cheer you up or listen to your problems. "A friend comes in when the world goes out," says Georgette Caruso, quoting a favorite poem. Sadly many friends are separated by graduation and the commencement of a new life, but the friendship shared will never be forgotten.

HIT OR MISS

By lunch time the feeling is overwhelming. You're tired, hungry; you'd really like to go home, eat lunch, and never go back to school, ever. You're praying (yearning?) for Friday to come when a little voice suddenly reminds you

"It's Friday."

You look around startled, "What?" and it whispers again, "It's Friday, end of the week — you're almost home free."

The words "Home free" cling in your mind and your thoughts drift to parties, movies, dances, good times and friends.

You start to scream, "It's Friday, it's Friday!" Then you notice everyone's staring at you, but you don't care because, IT'S FRIDAY!

The adrenaline rushes through your body and suddenly you find the energy to make it through your last two periods.

Of course by the end of the day you're left with just one burning question. If Fridays come once a week just like Mondays, how come it takes so long for Friday to get here?

It's been a great
last year, you miss and
Especially it's been great,
Have a great summer see ya
next year as a junior veu!

RISKY BUSINESS

A humorous guide for the survival of all underclassmen.

Now that you are all in high school, there are some rules and guidelines you must follow to maintain your emotional and physical health.

Rule #1 — When walking in the hallways, all upperclassmen have the right of way.

Rule #2 — Don't ridicule senior attire unless you also wish to be ridiculed. This rule is vital.

Rule #3 — Don't be cute. Do you know that

ious? (Of course you don't! If you did, you wouldn't do it all the time.)

Rule #4 — Don't try to act mature. We wouldn't want you to strain yourselves — attempting to do the impossible.

Rule #5 — Seniors are superior. It's not hard to remember, just think that both seniors and superior start with the letter "S."

... but really, guys. Good luck next year — it's your turn to be the "upperclassmen." Enjoy and preserve the privileges we have established here at W.H.S.

SHOOT THE WORKS

Homecoming 1983 was an outstanding success! A week of competitions and dress-up days led to a climatic halftime ceremony which will not be soon forgotten.

Thursday, October 20, 1983 was a truly special evening — the theme was Hollywood and everybody showed up in their finest. The Warrior football team played a truly aggressive game in their 29-8 victory over the Etiwanda Eagles. The band played a rousing rendition of "That's Entertainment" as the W.H.S. drill team held bouquets of red and gold balloons. The pep squad truly shined with wreaths and mum corsages, as returning alumni cheered with the current squad. The grand finale to spirit week — the placard competition — became a stunning exhibition of craftsmanship, originality and patience. This brilliant display of spirit and color served as a fitting backdrop for the Homecoming court coronation ceremony.

Students celebrated "Hollywood Style" at the following night's dance. Spotlights, red carpet and director's chairs set the mood as the music of KROQ's own Richard Blade got the dance floor bopping.

Homecoming 1983 is truly a time to be remembered.

TRY ONE'S LUCK

Suddenly, you're awakened by the loud, extremely annoying buzz of your alarm clock. You look over at the clock, rubbing your eyes to help you wake up: 6:30 A.M.?! Then you remember, it's Monday!

You crawl out of bed and splash your face with cold water, then take the next fifteen minutes trying to decide what to wear. By the time you brush your teeth, wash your face, etc., you barely have time to get to school.

You leave without breakfast and drive as fast as you can towards school. As you reach it you hear the bells go off, but you can't tell if it's the first bell or the second bell. Shoot! Late again. What a way to start the day.

When you get to class the teacher's giving a talk on the importance of being on time. PERFECT! Bleary-eyed you make it to lunch, where you feast on an array of "nutritious" school cafeteria food, which makes you feel worse than you did when you woke up.

Somehow you manage to find the energy to make it through your last two classes until the day is finally over. Then you can rejoice, because you've lived through yet another Monday!

HOLLYWOOD

Hollywood was the theme for Homecoming 1983. Spirit competitions like "Pin the Lips on Marilyn" and musical chairs entertained and involved students.

The grand finale of the spirit competition week was a schoolwide dress-up day where students portrayed different Hollywood movie themes. The Seniors paraded around in black derby hats, fake noses, moustaches and glasses, portraying comedy films, while some even imitated Shirley Temple and Phyllis Diller. The Juniors whisked around in garbage bags, togas and beely bops in a rage of sci-fi fever. Strawhats, rolled-up jeans, freckles, corn cob pipes, safari gear and pirate hats distinguished the Sophomores as clearly "Adventurous." Spooky witches and ghoulish goblins, alias the Freshman, rounded out the movies spectrum portraying horror flicks.

A TRIBUTE TO PAUL MILLS

Paul Mills has been an essential ingredient in the development of Woodbridge High School. When W.H.S. first opened four years ago, Paul began his warrior career as a World Cultures and Youth and the Law teacher. Student Government at Woodbridge can best be credited to Paul as he headed the original Student Advisory Board and the first A.S.B. Cabinet. Paul has since served as a strict, yet caring, Assistant Principal in the past two years.

Paul graduated from Kennedy High School in Anaheim. From there he went to study at Cal State Fullerton where he received his B.A. in History and his Masters in Administration. Paul landed his first teaching job at Rancho San Joaquin. From there he came to

Woodbridge.

Outside of school, Paul can be seen at Huntington Beach and Bolsa Chica State Beach where he works as a park ranger. He also enjoys skiing, football and baseball. He is happily married to Julia, his wife of eight years and has two boys, Nathan four, and Ryan one. Paul is a real family man who loves to go camping and spend time with his boys.

Paul Mills has been a real asset to W.H.S. Thanks for all the help, time and patience you have given us. You are one special guy!

THE GANG'S ALL HERE

CLASS OF '84

*On Being
a Senior . . .*

The school year 1983-84 was, again, a year of many firsts. As if being a Senior isn't "special" enough, the class of 84 had something really "special" to boast about. They were the first class to go all the way — that is — to complete all four years at Woodbridge High. Your Senior year, the final stretch, brings with it, feelings of freedom, impatience, relief, happiness, and high expectations. But what does being a Senior really mean? "Being a Senior is the last chance to be young at heart and live life to the fullest (without having to take full responsibility for your actions) . . . so live it up!" Comments Kris Woolever, referring to the realization that high school does not last forever . . . so, appreciate it while you can. For others, Senior year is a time for relaxation and an appreciation of the simple things in life. "Being a Senior is owning a VW and a pair of Ray Bans," brags Derk Hanna. Still, others view Senior year as an utopian world blessed with the full realm of human expression. "Being a Senior is an ideal mixture of pleasure and pain . . . the former taking precedence over the latter," philosophizes Kazuo Wegmuller.

All the good times, the challenges, the anticipation, the craziness and the confusion is what being a Senior is all about. It's a once in a lifetime chance but the memories will not soon be forgotten.

SENIOR CLASS PRESIDENT'S MESSAGE

Meetings every Wednesday at lunch, the Aloha Dance (what a success), Homecoming float (whipped cream up your nose!), T-shirt sales (or lack of them), Harvest Festival (yeah!), The Prom, Senior Breakfast, and the two year old Churros sales (what a riot). Our Senior year was hectic in all the planning we had to go through for all these events, but we had a blast! We made \$2,500! That was a lot of sweat and hard work! Class Council members, you guys did O.K.! And thank you Senior Class for supporting us. We, the Senior Class Council, appreciated the many of you who helped us in building the Homecoming placard, decorating and cleaning up the gym for pep rallies, helping us sell pretzels at the Harvest Festival, participating in Donkey Basketball, and helping us at the many other events we were involved in. Our senior year, thanks to everyone's support, was a memorable one! See you all in 10 years!

To a Dear Friend
Who We Love and Miss
Very Much

Kristin Masoner

Saw her, smiled so bright
Dreamed of us in the night
Oh could it be,
You and me.
Felt that it was so right.

Love is seen, in their eyes.
Lost by too soon good byes.
How could it be,
You and me
Now alone and he cries.

So long, miles apart.
Hopes that she will not start
Will it be,

You and me
She writes to strengthen his heart.

Blue eyes, her beautiful ways.
She seldom comes and never stays.
Can it be.
You and me
How he prays for coming days.

Saw her, smiled so bright.
Again shared love in the night.
It will be,
You and me!
I love you's, it was so right.

For All the Happiness You've Created, Love Eric

To the Class of '84

Schools are built on pillars of contrast. They are homes, playgrounds, and jails for men, women, and children — young and old. They are institutions supported by parents and condemned by taxpayers.

They are full of laughter, corny jokes, books, rulers, bells, uncomfortable furniture, test tubes, excuses, regulations, and learning. They smell of paste, oiled floors, gym suits, hydrogen sulphide, lunches, and chalk. They Shelter people who wear band uniforms, shoulder pads, sneakers, evening gowns, worn-out saddle shoes, levis, loose shirts, and gold basketballs.

School is a place that kids live to get in to — then die to get out of. It starts too early in September and ends too late in June. It abounds with kids with runny noses, girls who have too many term papers, and boys without homework. It is a place where kids can be both seen and heard, and where kids get sick on the first day there is snow in the local mountains.

It is a building where students forget to put their names on papers but remember to put them on everything else. It vibrates with warmth and understanding, love and devotion, and grandstands full of enthusiastic cheers. It is the place that folks think back upon with a flush of pride when they say, "I went to high school at Woodbridge." The Class of '84 is the first group to *travel the whole path*. They established and defined the traditions as we know them.

I say good-bye as you go about adult life. I hope your memories will be fond ones. Thank you for your part in laying the cornerstone. I salute an exceptional group of young people with whom I am pleased to have been associated.

In a world threatened by ominous news casts of murder, rape, and, worst of all, nuclear war, the children of today and their hopes are strangled by the ubiquitous gloom of the decay of civilization and the eventual destruction of mankind. In order to overcome this fatal handicap, we must swallow our pangs of indifference and awaken our senses (and concerns) to the society encircling us.

(Editor's Note)

Apparition of a Generation

The Youth of Today Was the Hope of Tomorrow —
Out to take the World By storm . . .
Where once there raged a ball of fire,
Lies a heart who's grown indifferent as stone.

What once we called the tender years
Drowned in acid rain —
Sugarplums dancing turned to mushroom clouds,
Mother's milk to chemical.

They pronounce these years the best of our lives —
To survive we trace the pattern.
Instead of products of broken molds,
We exist as walking statistics.

Daddy cries when baby's raped,
Then vigilantly shoots the culprit —
Finishes his days between leaden walls,

Wishing for "Father-matic Immunity."

Discourse not of order, justice, or peace,
Then wage your whimsical wars . . .
We know your crimes are paid with dollars —
Once more you reek of graft.

To growing up there is a trick —
Just learn to follow directions:
Skip along the blood-stained path,
Til you reach the radio-active end.

Is there a chance for hopes embittered?
Or a restoration of shattered faith?
Perhaps not fear, or institution, or hate,
But apathy is the foe to be conquered.

Being a Senior Is . . .

A shock . . . all your life you look up to Seniors. You think "They're so big." But when you finally get there up realize that you're no different from what you were as a Junior, except that your approach to life changes. You know that this is your last chance; and that you're very close to independence and adulthood. Everything you do and have done becomes important, so, you strive harder than ever to be the best you can be. — JoAnna Reeves

LIFE OF THE PARTY

Plans For Tomorrow . . .

THE FUTURE. It seems to be an obsession in a culture bombarded with horoscope columns, bio-rhythms and psychic predictions. High School, a microcosm of the real world awaiting us, is no different. As graduation nears, speculation of the future dominates our brains. These thoughts, in reality, will dramatically affect the paths our young lives will follow.

Where will the class of '84 be in ten years? What will their careers and lifestyles be like?

At the top of most seniors' lists are plans for having fun and enjoying their newly found freedom. "I'm going to go on safari and surf every spot in the world," boasted Lance Morcos. Wendy St. Clair exclaimed, "I'm going to skip town, go to college and have no curfew." Besides "whooping

it up", the Senior class is determined to become rich. In fact, many have already planned how they are going to accomplish that task. Vic Thakur is determined to become a C.P.A. with a law degree. Kelly Guest wants to work as a marketing director while Karen Schoonover plans on being a physical therapist.

In the quest for a well-rounded life, the Seniors realize there is more to life than fame and fortune. "I want to have a successful family life, complete with a cute husband," declared Monica Lazenby while Greg Ruffer definitely plans on becoming a "family man".

What does the future hold for the class of '84? Crystal balls, astrological charts and tea leaves are not necessary. The class of '84 is bound for success, prosperity and happiness — it's in the cards!

Being A Senior Is . . .

having reached the top of a mountain. It took many years of struggle and hard work to get here on the top, but the glory and the rewards for this struggle is very satisfying. Ever since we were freshmen, we looked up to the upperclassmen, wishing soon, that we would be just like them. But now, having reached this destination, we must find another goal to reach. Soon, we will all have to climb down from this mountain to search for a greater mountain to climb. The glory of our senior year will not last forever, and we will have to go on our own separate ways, but until then, we will work, play and help one another in order for us to look back and say that all the hard work we went through was all worth the effort. — Esther H. Kim

Second Time Around

Has there ever been a time in your life when you've looked back on a particular incident and thought, "Why did I do that?" Or, "If only I could do it over again I would . . ." Most people, at one time or another, have wanted to change something in their past, be it a romance, an argument or a bad decision.

As June 13, 1984, approaches, the graduating seniors realize that "This is it" — high school is over for them. Upon further contemplation, they find themselves wondering "Did I learn anything?", "Could I have avoided some tight or embarrassing situations?" or "Did my high school years turn out the way I planned?" The senior class was asked "If you could relive your high school years, what would you do differently?"

Most Seniors were preoccupied with changing their attitudes towards grades. "I would have taken more A.P. courses," said Christine Summers. "I would have studied harder," commented Greg Ruffer while Vic Thakur wished he would have narrowed his studies down to his career goal.

Just as many Seniors wished they could've changed their total attitude towards school. Monica Lazenby wished she would have gotten more involved while Rora Tanaka wishes she could have done more. A refreshing comment was made by Tom Tobiason who said "I would have transferred to Woodbridge in my freshman year."

On the other hand, Wendy St. Clair and Kelly Guest, agree that they would've taken more time out for the pleasures of life.

"I would have had more fun maybe being a rad and scary punker," said Wendy. Kelly said, "I wouldn't have been so hyper. I would have calmed down more."

While it is nice to fantasize about changing the past, the reality of what you've accomplished during these four years will shape your life from now on. It is important for the Seniors of today — the leaders of tomorrow — to do their best from now on, and get it right the first time.

The school year for us of 1983-84 has had many exciting and unhappy memories. The loss of a well liked singer and performer, Dennis Wilson. The deaths of the Marines in Lebanon and the death of the U.S.S.R. leader brought sorrow to many. In 1983 the Cabbage Patch doll was a big hit for many children and even some adults. The computer raid of students from Woodbridge was another exciting event. The Winter Olympics of 1984 brought the U.S.A. many medals. Boy are we proud! A popular singer of 83-84, Michael Jackson, was the first performer to receive "8" awards at the Grammys! He is the King of the road.

WHS GOES HAWAIIAN

Friday night, September 23, Woodbridge High has gone Hawaiian! The students of WHS dressed up in Hawaiian fashion to attend the Back-to-School Aloha Dance. There was a large turnout for a funfilled evening of socializing and dancing, as well as a reunion of friends and faculty. Students danced all evening to the music played by the D.J., and enjoyed catching up on the latest news. The Aloha Dance was a great way to kick off the new school year as everyone was anxious to get reacquainted with friends and fun times.

The Oktoberfest celebration began on Friday, October 7, at the end of fourth period classes. The lunch period was extended so that all could enjoy the festivities. Clubs and organizations set up booths providing food and drink while other booths provided games and entertainment. The variety of things to eat and do was tremendous and everyone greatly enjoyed themselves. The drama presentation put on by volunteer students was highly entertaining and very amusing. A most enjoyable time was had by all and it was a shame to see the festivities come to an end. It was a very relaxing and fun-filled day to be remembered by all.

Barefoot in the Park, a comedy in three acts, was created by Neil Simon, America's most popular contemporary playwright. It tells the story of a young newlywed couple, Paul and Corie Bratter, and the trials and tribulations of married life. Included in the cast is Corie's zany mother, Ethel Banks, a middleaged woman trying to cope with living alone "way out in New Jersey." As a result of Corie's matchmaking, Ethel gets thrown into a compromising situation with the Bratter's upstairs neighbor, Victor Velasco, a present day Bluebeard.

The play ran Dec. 7-10 and was the product of five long weeks of dedicated rehearsal. An outstanding performance was given each of the four nights and was well received and enjoyed by all. Both casts performed in assemblies for the student body as well.

1. A few cast members find time to smile during their act.
2. Natalie DeKarver and Andy Agle happily exchange gifts.
3. Linda and Grace Rodriguez: climbing the ladder to stardom?

The second annual Dating Game, sponsored by the Woodbridge and University A.S.B. Cabinets, went off with a bang! The game was held in University High's multi-purpose room, seating approximately three hundred excited spectators. In order to complete four full games, each school previously submitted one emcee, two questioners, and six answerers, each one as witty as the next. When the contestants emerged, the fun began! Keeping Alive a Tradition of Musical Superiority

The Woodbridge High School band has brilliantly preserved a tradition of musical excellence at WHS. Following a summer of grueling practice and training at the UCI drum major camp and marching band camp, the band consistently provided entertainment at pep rallies, football games and basketball games. As if it wasn't enough to keep these hard-working musicians busy, the Warrior band also placed in every competition they entered.

Directed by advisor Harold Witten and led by drum major Hans Vogel, the fifty member strong band performed superbly at the Sierra Vista Field Competition with a third place award, at the Orange Field Tournament, again with a third place, at the La Habra Field Competition, with a first place trophy, and at the San Diegito Field Tournament with another first place award. The drum line also came in a close second at the San Diegito Tournament.

In addition to this demanding performance schedule, the band gave a Winter Holidays Concert, a Spring Concert, and played at the Sentinel Awards Ceremony. WHS also served as the host band in the Irvine Christmas Parade.

With consistently superior performances and excellent ratings at competitions, the Warrior band has kept alive the tradition of musical superiority.

TALL FLAG

Led by captain Shauna Tong and Co-captain Beverly Barnum, Woodbridge's Tall Flag team primarily performed at football halftime shows and pep rallies adding much color and excitement to the entire Warrior program.

With only two returning girls, the eight member team had a very successful and highly motivated year.

Beginning in July, the Warrior Flag Team boasted their winning ways at the U.S.A. Tall Flag Camp held at U.C. Santa Barbara. There, they won an excellent plaque.

As the year progressed, the team had a chance to display their skill and precision as they took second place honors at the Orange Field Tournament, a second place award at the La Habra Field Tournament and a first place trophy at the San Dieguito Field Competition.

In addition to this hectic schedule, the Tall Flag Team also served with the W.H.S. band as host band in the Irvine Christmas parade.

Woodbridge Entertainers Hit New Heights

Another tradition has been established at W.H.S. — the Woodbridge Entertainers. All club members are students who love to sing, dance, and "entertain" audiences with specially choreographed song and dance routines. When the entertainers were first established their primary goal was, in essence, to provide entertainment for the school and community.

In their first year of existence, the Entertainers have booked a quick-paced show schedule. During the winter recess, they performed at both the Newport and Irvine Marriotts, the Registry and other miscellaneous functions in the area as well as displaying their talents for the student body several times.

Led by advisor Mrs. Rasculinez and officers, President — Christian Godoy, Vice-President — Susan Sikora, Treasurer — Heather Stradtman and Secretary — Matt Theriault, the Woodbridge Entertainers have a bright future ahead of them as true crowd pleasers.

Entertainers' Memories

Drill Team Has Rewarding Season

The 1983-84 Warrior drill team — a team primarily made up of freshman and sophomores — shined for W.H.S.

Led by captain Barbara Rios and co-captains Natalie DeKarver, Leanne Mader and Lisa Lundy, the drill team added sparkle and precision to football halftime shows and pep rallies.

The girls went to a N.C.A. drill team camp in San Diego where they received the sweepstakes award and a spirit pom award for their superior efforts.

The drill team also proved spectacular in the various competitions they participated in-winning top honors for every performance. The warrior drill team took second place at the Orange High Field Tournament with a score of 81.2, second place at the La Habra Field Tournament with a score of 80.2 and first place at the San Dieguito Field Tournament with a score of 90.5.

Varsity Cheer Sparks Warrior Enthusiasm

VARSITY CHEERLEADER

The 1983-84 Varsity Cheer Squad kept Warrior spirits high as they energetically cheered at football games, basketball games, and pep rallies as well as other athletic contests.

The cheerleaders have had a highly successful year starting with a N.C.A. summer camp on the U.C.S.B. campus. There they won the highly prestigious spirit stick.

Working along with the Varsity Song Squad, Varsity Cheer attempted and succeeded at using more stunts, synchronized cheers and elaborate pyramids during gametime action in addition to their own specialized routines.

One of the squad's special goals was to compete more . . . and compete they did! Varsity Cheer entered many competitions at such locations as Buena Park, Knotts Berry Farm, the L.A. Watts Festival and Magic Mountain. Due to constant practice and extreme motivation, the squad took high honors in every competition.

A very positive force on campus, the Varsity Cheer Squad, along with Varsity song and Sophomore Cheer, have sponsored several successful events: Ghostly Grams at Halloween, Computer Dating and the Winter Formal (Snowflake Fantasy) in December. In addition, they assisted in the W.H.S. Cross Country invitational.

Songleaders Kick Up Their Heels

In its second year of existence, the 1983-84 Varsity Song Squad worked hard to create exciting routines and cheers, in an effort to entertain the Warrior crowd. They performed and cheered at pep rallies, football games and basketball games, as well as other athletic contests.

One of the squad's special goals for the year was incorporation of more pyramids and gymnastic ability into their routines. Song also achieved another of their goals by competing more. They entered competitions at Buena Park, Magic Mountain, and at the L.A. Watts Festival. Due to extreme dedication, practice, and creativity, the songleaders came away with top honors in all competitions.

The songleaders received a spirit stick for their efforts at the National Cheerleaders Association camp (on the U.C.S.B. campus) this summer as well as establishing many friendships with squads around the state. Song's apparent unity and devotion served as keys to their highly successful year.

They, along with Varsity Cheer and Sophomore Cheer, sponsored Ghostly Grams, the Winter Formal, and Computer Dating. In addition, they assisted with the W.H.S. cross-country invitational and participated in the annual City of Irvine Christmas parade.

Sophomore Cheer Gets Enthusiastic

The 1983-84 Sophomore Cheer squad added much excitement to football games, basketball games and pep rallies with a special appeal to the underclassmen.

Sophomore squad members learned many new routines, techniques and rules during their first year on pep squad. These experiences will be especially practical to them as hopeful, returning squad members on the Varsity level.

Sophomore Cheer exemplified much dedication and true Warrior pride on the many activities they sponsored, in cooperation with Varsity Song and Varsity Cheer, such as: Ghostly Grams, Computer Dating and the Winter Formal. The Sophomores also proved magnificent in the Irvine Holiday Parade as they carried the Woodbridge banner.

Sophomore Cheer attended an N.C.A. summer camp, along with the Varsity squads, on the U.C.S.B. campus.

MASCOT

A W.H.S. FIRST

Our Warrior mascot, Kim Dancy is unique in the fact that, for the first time in W.H.S. history, a mascot has worked directly with the Pep Squad. Kim takes her job seriously, practicing with the squads and devoting many extra hours to numerous pep squad activities. Kim has been a colorful character at various sporting events and a valuable asset to the squad. Congratulations Kim — you've helped set another Warrior tradition.

BANZAI CREW COMES THROUGH

The Warrior football team had their best season ever, as they finished in second place in the South Coast League. After compiling a 4-2 league record, the Warriors went on to the C.I.F. playoffs for the first time. Coach Gene Noji led his squad to a 31-20 upset of Downey in the first round of the playoffs before losing to Esperanza in the quarter-finals. Offensively, Bill Russell and Matt Cornwell had successful seasons as did Rudy Figueroa and Rick Lee. The offensive line of Tim Codde, Chris Kamps, Mark Russakow, Ed Keefe and Pat McGrody were consistent all year. It was the defense that led the Warriors though. Jordan Frank who led the C.I.F. in interceptions this year along with Dan Saeger, Greg Ruffer, Sean Sieler, and Tim Blaylock had big seasons for Woodbridge. The Warriors ended with an 8-4 record overall so watch out Seaview League here we come.

FRESHMEN

Capture League Title

The 1983 Freshman Football Team enjoyed a winning season with a record of 6-2, and went all the way to capture the league title. They captured the title in dramatic fashion from Laguna Beach in the final minutes of the last game of the season. The Warrior Freshmen had a very strong defense, allowing only 33 points all season! The League Championship is the first for WHS in football and the Warrior freshman are eager to move up in the ranks and expand this success throughout the Woodbridge football program.

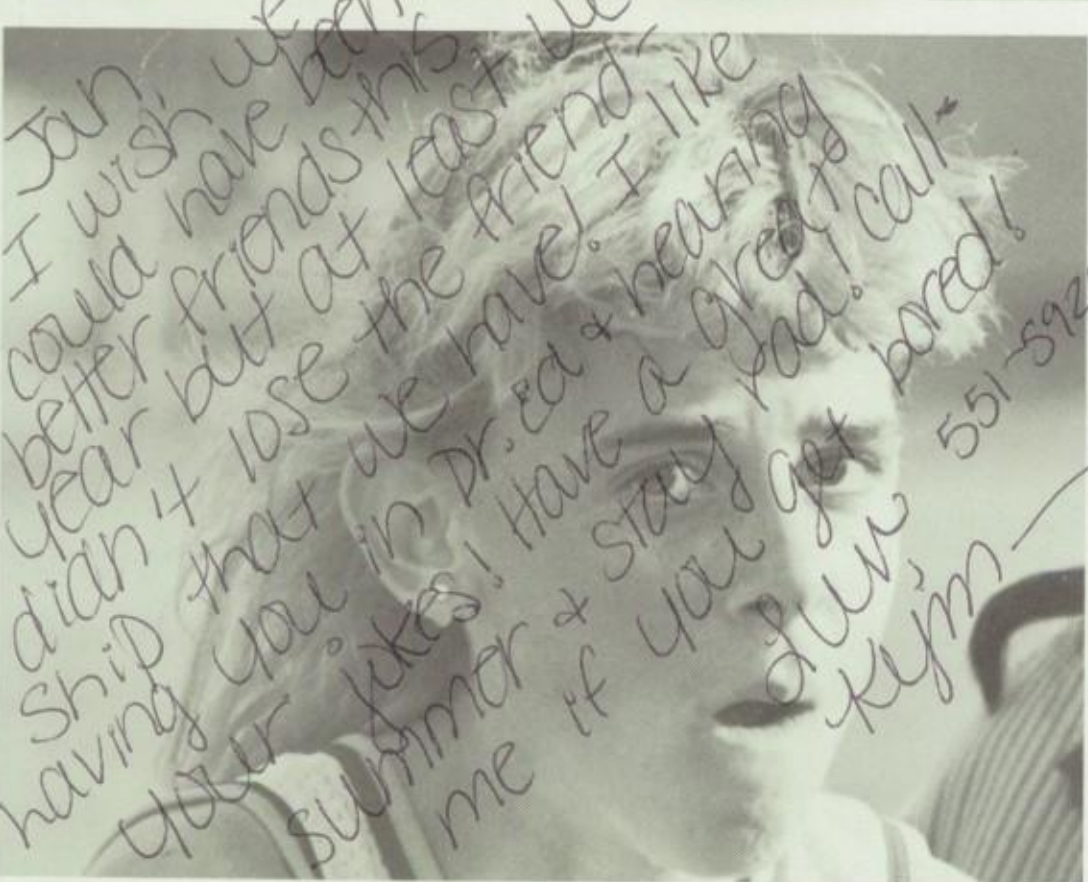

1. Paul Rodriguez putting the moves on to elude the tacklers.
2. The strong arm of John Yurkovich was the key to this years success

Another Successful Season

The Warrior Cross-Country teams, under the direction of Coach George Varvas, had very successful seasons in 1983. The Boys' Varsity was led by All-League runner Dana Golden and placed 3rd in the South Coast League. Eric Schermerhorn, Brian Wilson, Marc Mazzano and Jay Middleton were also top performers for Woodbridge. The boys compiled a 4-2 league record and placed 5th in the CIF Preliminaries. The girls' varsity was led by League runner Sheri Smith, while Kim Crane, Lisa Sar, Sandy Stroope and Donna King also had impressive seasons. The girls squad placed third in the league standings and finished in 9th place at the CIF preliminaries. They compiled a 3-3 league record. The highlight of the season was the trip to CIF for both squads and the 3rd Annual Woodbridge High Invitational, which attracted over 60 high schools from the Southern California area.

Warriors Play Competitively

Varsity Basketball

Coach Shannon got the varsity squad off to a great non-league start only to see his team disappointed in league when senior All-C.I.F. guard Mark Foringer went down with a knee injury. Even then the Warriors were very competitive. An added plus to Woodbridge this season was 6-10 center Marco Baldi, who averaged 24 points and 10 rebounds a game. The foreign exchange student from Italy is only a Junior and Woodbridge hopes to have him back for his senior year. Also doing well for the Warriors were guard Tom Borsuk, forward Mark Murphy and Larry Barnett.

Highlights for Woodbridge this season were winning the Irvine World News Classic over Corona Del Mar and defeating South Coast League foes Mission Viejo, San Clemente, Laguna Hills and Laguna Beach. For the Warriors and Shannon it's wait 'til next year!

Prepare for Big Time

Basketball J.V.

The Warrior J.V. Hoopsters had a good year overall. Coach Kingsberg felt his squad worked hard and improved over the season. The team was young and inexperienced with mostly sophomores on the team. Leading the young Warriors was forward Joe Doane and guard Mike Sullivan along with Mike Verdugo and Steve Kramerage. The J.V.'s won the consolation final in the Loara Tournament and won big league games against San Clemente and Laguna Beach. This squad should be a big plus in the Warrior Basketball of the future.

Contend Well in League

Coach Halagan led his freshmen basketball team to an outstanding season. The young Warriors employed many different lineups due to injuries, and never got settled at the guard position. However, they still managed to finish in the top three in the South Coast League. Leading the way was center Mark Lyon and forwards Bill York and Vince Bryon. The Freshmen lost their best player and guard, Dave Townsend, when he was pulled up to Varsity, but guards Ted Tobiasón, Mike Sorenson, Jay Golden, and Mike Juarez filled the slack. Forwards Rodney Suiste, John Yurkovich,

and center John Addington also did well. These Young Warriors will be added plusses for Woodbridge Basketball next season.

GIRLS' VARSITY

Girls' Go From Rags to Riches

Who would have thought that the girls' basketball team would be ranked 7th in 3AC CIF and win the South Coast League title after going winless just three years ago? Nobody, but that's what happened as the Warrior girls were (12-0) in the league play and (21-2) overall. Coach Eric Bangs led his squad to their first ever C.I.F. playoff appearance and league title. It was Bang's second year as Head coach at Woodbridge and he did a fine job with the Warrior ladies. The Warrior's season was filled with Highlights but the biggest wins came against the tough Mission Viejo Diablos. Leading the Warriors on the court were Arlene Hernandez, Sharon Lyon and Holly Ingraham along with Kelly Wilson, Carrie Mitchell and the Causey sisters, Kelly and Kerry. Overall it was a complete team effort and something these girls will always remember.

1. Head and shoulders above all defenders, Arlene Hernandez shows off her jump shot for 2 more points.
 2. Sharon Lyon "skies" for yet another jump ball.
 3. Jenny Susser's skill and concentration are demonstrated here on this driving layup.
 4. In "fast-break" action, Holly Ingraham makes yet another, outstanding play.
 5. A common sight this year was Coach Bangs pointing out another sparkling play.
 6. "Ever hustling" Lisa Tripi zeroes in on a loose ball.
 7. Carrie Mitchell gets the offense going from her point guard position.

1. Holly Ingraham is out in front of the pack again as she heads in for another bucket.
 2. Nobody showed as much aggressiveness and strength around the basket as Kelly Wilson did.
 3. You can count on Kerry Causey to "put the clamps" on the opponents best players.
 4. "High-flying" Kelly Causey passes off for another of her team leading assists.

Ready for the World

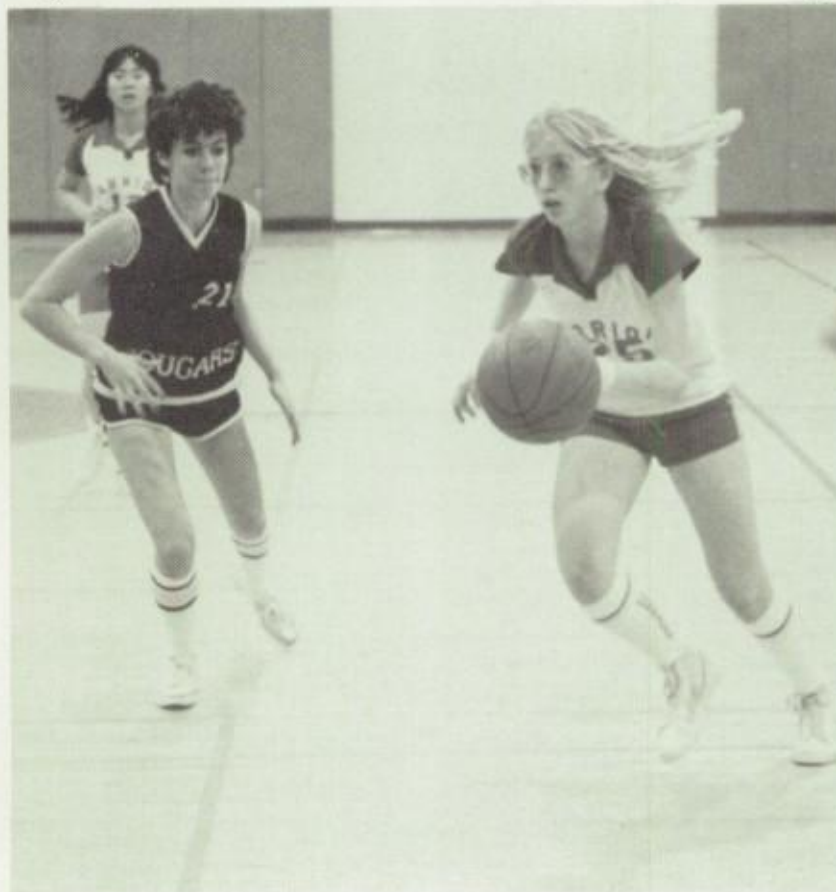

The Warrior girls' J.V. team took second place in the South Coast League with a 10-2 league record. Overall the young Warriors were 18-3 and a Highlight for the season was a second place finish in the Costa Mesa Tournament. Pat Bangs led her squad to a great season and if it weren't for two close losses to Mission Viejo the young Warriors would be league Champs. Offensively Hope Carter, Diana Zilko, Mindee Adams, Gilly Powell and M.V.P. Nina Hansen led the attack. Defensively, Sherri Smith, Yvonne Carter, Melissa Ennis, Sandy Yazzie and Leanne Mader were standouts. Yvette Carter was the Warrior stat person. With mostly freshmen the Warriors ladies should be tough for years to come.

Warriors Take League Again!

After winning back to back South Coast League titles, the Warriors grapplers sent nine wrestlers to C.I.F. Woodbridge went undefeated in league for the second year in a row and Coach Ott has built a winning tradition in the tough South Coast League. The Warriors were led by League champions Todd Lopez (101), Jeff Norton (141), Greg Curfman (148), Greg Ruffer (178), and Luis Palacio (194). Finishing second in league were Ron Stearn (108), Karl Larson (129), Sean Sieler (156), and Steve Lopez (168). These nine wrestlers competed in C.I.F. and represented the Warriors spirit well. Next season the Warriors move into the Seaview League and that's an added challenge for Coach Ott and Woodbridge.

Warriors Compete Strong in a Tough League

Coach Melvin David led his Boys' Soccer squad into the tough South Coast League. The Warriors were a young team with just two seniors. It was a learning experience for Woodbridge as the Warriors were faced with tough challenges throughout the year. The Warriors' best game came against the tough Dana Hills Dolphins and they also did well in the Fullerton Tournament. Leading the team was Goalkeeper Yasushi Noda and John Evers on the defense. Offensively Bill Dawson, Eric Boswell, Tory Haden, and Jeff Penny were the leaders. Coach David has high expectations for the Warriors future.

Girls' Struggle for Respect

New head coach Peter Glennane's squad had a rough time in the South Coast League this season. The Warrior girls played in one of the toughest leagues in Orange County, and that along with injuries and illnesses caused them to have a long year. Team captain Sandra Schoonover went down with an injury that hurt the girls a lot and many times Coach Glennane had to look to the J.V. team for help. Jenny Hogan, Carrie Coffey, Lynn DeRoze and Traci Towntrow were leading players for Woodbridge. The girls biggest victory came Foothill, and they tied Laguna Beach in a league contest.

WARRIORS SHOOT FOR LEAGUE BANNER

In what could be the best season ever for Warrior baseball, the team started off on the right foot in non-league action. Coach Dave Cowen was optimistic about his team's goal of reaching the C.I.F. playoffs. The Warriors competed in two tournaments in preseason action. The first was the Palos Verdes tourney and the Anaheim Easter tournament. The squad also played tough in the South Coast League against teams like Capo Valley and Mission Viejo. Leading the Warriors on the field were captains Darin Daniels and Bill Russell. Other stars for Woodbridge were Randy Cook, Jordan Frank, Mark Daniels, Rudy Figueroa, Matt Seymour, Cam McNee and Rick Lee. Next season the Warriors will move into the Seaview League and Cowen would like to see his squad leave the South Coast League with respect.

FISH KEEP IMPROVING

The Warrior swimming teams are looking for their best season yet. Coaches Pat Bangs and Colleen Cross with the help of Rick Gibson are hoping their squads can finish at an even 500 for the year. The boys' team was led by team captain Erik Westfall and brother Brant. Erik swam the IM and the butterfly while Brant swam the backstroke and freestyle. The girls were led by their captain, Monica Lazenby who set a new record in the IM. Lynn Hobensack swam distance and the Warriors were hoping to get over injuries to three girls. Loren Newman, Shawn Norris and Jenny Susser were hoping to make a comeback. The Warrior girls also received support from a trio of freshman, Caitlan Stilley, Erin Pooler and Jenny Jensen. A High Class Group

The 1983-84 A.S.B. Cabinet worked very hard this year to provide the W.H.S. student body with a memorable experience. While the A.S.B. held many summer meetings, the majority of master calendar planning was accomplished during the A.S.B. summer retreat at Lake Arrowhead. The first week of school proved to be hectic as the A.S.B. gave tours to new students and staged a helpful new student orientation meeting. The A.S.B. Cabinet proved invaluable as they manned various stations on registration day — laminating I.D. cards, sealing A.S.B. stickers, and directing traffic. Membership in clubs was greatly increased by Club Drive Week — a mass effort by the A.S.B. to promote and give more information about clubs. The major activity of the year for the Cabinet — Homecoming 1983 — was a true success. Hollywood was the theme and what a gala event it was! Months of planning and hard work culminated in an energetic spirit week, a colorful coronation, and a highly electric dance. The Cabinet attended the Redlands Leadership Conference in mid-October in an attempt to bring back new ideas to the W.H.S. activities program. Pep Rallies, assemblies, and staff appreciations were regularly planned by the group as well as blood drives in November and May and an exciting spirit week in the spring. On top of this hectic schedule, cabinet members diligently performed odd jobs around the activities center in order to guarantee its smooth running order. Congratulations and thanks to the A.S.B. Cabinet — it was truly a great year.

After one semester of trying, Woodbridge High got its newspaper back in publication. With a new teacher, Mrs. Gray, the Golden arrow ran three issues in the second semester. The class worked hard and with the help of Mrs. Gray were very successful. Editors were Mark Lacey, news; Kevin Schulte, sports; Cindy Choi, feature; Cindy Weisbroad, editorial and Dave Barber, layout. The paper would not be a reality if it wasn't for the hard work and efforts put in by all of the advanced and beginning journalism classes. Special thanks also go to Mr. Quinn, Mr. Mills and Mr. Greg Copps for helping find a new teacher and giving the students a chance to hear the news.

CREATIVE STUDENTS EXPRESS IDEAS IN WRITING

In the beginning there was nothing . . .
and we said, "Let there be Liber . . ."
With delusions of grandeur and adequacy in mind
We led a quest towards truth, whence masses were
blind,
We began a cabalistic cult (Koolaid anyone?) and
beamed reality to a third stone from the sun.
Our brave supporters like jockstraps clung, protect-
ing the vitals from mendacity's sharp tongue.
As Ponce de Leon searched for a Fountain of
Youth, so we pursued the elusive mountain of
truth.
As an eager proctologist with fingers had probed so
we with twisted scriptures have society disrobed.
This unveiled specter that we've made clearer is a
warning to all: Armageddon draws nearer.
"Like the Edsel & edible prophalactics," they did
say
"Sweet Success with you will never stay."
Lord God have mercy upon our crimes
For we're but victims of disillusioned times.
Special thanks to our lovely advisor Dame
Armenin, our faithful readership, Big Brother of
Katmandu, Uncle Bob, the Bombay Boys, Slim,
Stretch, Oscar, Phil, Vernon, Stenie, Tantranada,
et al.
"We're all brothers in a perfect world . . . brothers

INK was created to encourage creative writing on campus and to produce a creative writing book. The initial concept was merely a continuation of creative writing sessions by a group of friends who were all active writers and who wished to publish some of their better works. Now, the club has evolved into a group of talented people who come together to display their writing talents. With the premise that an infinite number of monkeys left alone in a roomfull of typewriters would come up with a literary masterpiece, the club has been named An Infinite Number of Monkeys (the K was added for convenience). This phrase cleverly spells out the anagram INK.

6

The Creative Members of INK are — Top to Bottom: The Bippettes: Lisa Katz, Lisa Scarpello and Sharon Rapport; Vikas Thakur, Kazuo Wegmuller, Raj Desai, Robert Gonzalez, Tom Tobiason, Andy McKenzie and Robert Ong.

WOODBIDGE'S HONOR SOCIETIES

1

This state wide organization C.S.F., was established to stimulate interest and foster pride in high standards of scholarship and to encourage further education for highly qualified young people.

It is necessary for the student to earn "A's and B's" in English, foreign language, science and selected areas in the unified arts. Membership in this organization is based on individual grades in academic subjects, not on the students grade point average.

In addition to encouraging good academic scholarship in high school, later benefits can help a student when he or she makes application to colleges and universities as well as in applying for scholarships to these institutions.

Burt Lindfors serves as chief advisor for CSF at Woodbridge High. CSF fundraisers includes school wide fund raisers and Woodbridge High School's Holiday festivals.

JUNIOR CLASS PRESIDENT'S MESSAGE

Finally joining the "upperclassmen," we really came together as a class this year. Showing unabounding amounts of spirit and pride we won our first pep rally and remained undefeated in scavenger hunts! The efforts of many people went into the making of our stunning "Tribute to the Sci-Fi's" placard for Homecoming. We started a class Spirit Competition Committee, which through the efforts of Bobby Rowell, SCC chairman, and many hard-working, spirited SCC members, posters were made and work was done to make sure that our many junior class activities got off the ground.

On the fund-raising side of our activities we raised enough money to fund our Senior prom and are now in the process of raising money for our senior gift. This year we sold burritos at the Irvine Harvest Festival and had a really good time, as about forty juniors worked at the booth over the course of the weekend. Many classmates made chocolate covered pretzels as we sold them at the Ocotoberfest. We all had an enjoyable evening as the class of '85 sponsored the 5th annual donkey basketball game which was won by the hot-shooting juniors led by Dan Sager! Then came the Holly Grams and our successful dance. And finally our biggie! The auction, which was our major fund-raiser of the year!

As we close out another year of school and find ourselves finally face to face with that magical senior year we step forward with uncertainties, for we realize that even though next year will be a great experience, we soon will leave our secure surroundings and friends, and venture out on our own. But knowing that we'll always have good memories and strong friendships, we can venture forth confidently. I thank you all for supporting us so well through the years and wish you all the best of luck next year. Remember, next year we get to spend it all!!! 85 IS ALIVE!!!

Sincerely Yours

Jay Middleton

SOPHOMORE CLASS PRESIDENT'S MESSAGE

This year as Sophomores we had a big job to do, we were in the process of raising money to make our Senior year the very best! But to do so, we (Sophomore class) first needed to unite. Now when we do hold a major fund raiser or event (as Juniors) everyone should be willing to get involved. We were a part of the Octoberfest and the Holiday Festival this year. Pictures with the Easter Bunny and the Red Hots sale were also sponsored by the Sophomore class council.

Thanks to the help of many class members, we won first place at Homecoming for our placard, "Adventure Into '86." Our spirit has been great this year and should be even stronger next year.

We would like to thank Mr. and Mrs. Bangs for all their extra time and help through this whole year. It was all greatly appreciated.

We have a big job ahead of us, but we know that in the near future we'll reach all our goals. We've just shifted into high gear and are starting to climb the ladder of success!

Sincerely

Dawna Hoffman

FRESHMAN CLASS PRESIDENT'S MESSAGE

Our first year at Woodbridge High has been a terrific one. Our Freshman Class Council has worked hard at fund-raisers to help raise lots and lots of money. The Class of '87 is very enthusiastic and spirited. Being the biggest class ever at Woodbridge High, we have a great future ahead. This year was super but it was only the beginning for us.

Our goals are to get everyone in our class organized and involved since we are the biggest class.

Our accomplishments
 Our hope for the future
 Our memories of the past

All these things would never have been possible if it wasn't for the love and support of our Student Council Advisers, Mrs. Michel and Ms. Munson.

Thank you bunches, the Freshman Class Council.

Sincerely

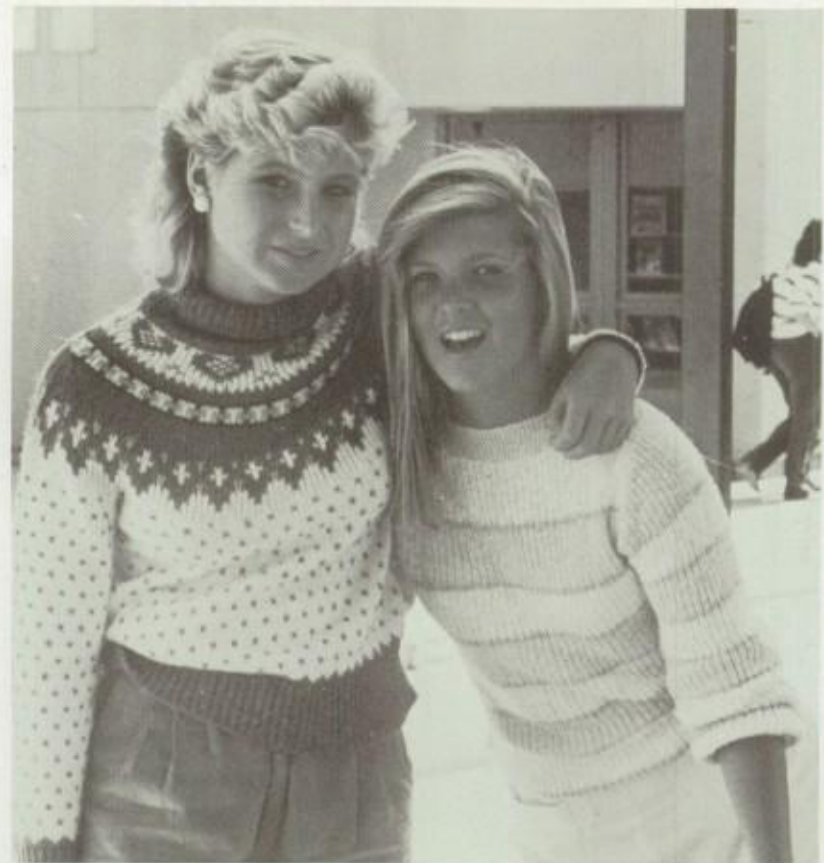

Rhonda Figueroa

The game is over — the cards are folded. Woodbridge High, 1983-84, surfaced as the winner. From the original cutting of the deck — the first day of school — the players were intrigued and stimulated by the exciting game that would follow. The introductory hand proved to be a game of high stakes as football games, The Aloha dance and our first Homecoming celebration quickened the pulses of the gamblers. Not to be outdone, the second hand was even more sensational as players placed their bets on numerous basketball games, the Winter Formal, wrestling matches and holiday fests. A quick refreshment and pizza break in the game was provided by FINALS. Then it was back to regular gametime action. Morp (Prom spelled backwards), the Dating Game, swim meets and baseball games officiated as the final game in an all but blasé 1983-84 game. In a sweeping observation, it looked as if the entire district folded their cards when W.H.S. came out on top, with a perfect hand — A FULL HOUSE.

HISTORY OF THE GAME

Graduation — a unique day in itself. Graduation 1984, however, will be even more special because it marks the end of an era. The Seniors of today were the pioneers of Woodbridge High only four years ago. They, as class, grew up along with W.H.S. and remember every phase in its development as vividly as they recall their own. As these special graduates receive their diplomas, an era will come to and end and with it, an entire cycle will be completed. Naturally, with every end, there is the continual prospects of a new beginning . . . the cycle commences again.

FUTURE SPECULATIONS

The last day of school is upon us, Graduation 1984 has come and gone. Unbelievably, the 1983-84 school year is over!! Some of us will return next year, while others move on to begin a new life. We leave behind us the good times, the bad times, the laughter, the pain, and even some friends. We leave behind the past at W.H.S. but we take with us the most precious prize — our memories.

Keep your memories, throughout the years, for when all's said and done, they're all that's left you.

Jan
It was nice having you in Dickinson's class with me.
You are really nice & sweet. Have
a great summer & I hope to see you
next year in one of my classes.
Love
Paul Anderson
